

BADCo presents their 2016 pantomime!

***Note change of date – due to circumstances beyond our control, the Thursday performance has been rearranged for Wed 24th Feb.**

The Princess & The Peastalk

The show tells the tale of Princess Lily who arrives at the Palace in the middle of a party after getting lost in the forest - naturally no one believes she is a real Princess and so the Queen decides to test her story with the traditional "pea under the mattress" test. No one was prepared for what happened to the pea – and Princess Lily - after that!

At the Palace we meet Prince Bertie, whose mother wants to use his birthday as the opportunity to find him a wife; the “real” Princesses who want to marry him and the Court Jester, who is in charge of the entertainment! Watch out for the Witch in the forest – is she behind all the trouble?
